Lou's Letter

Trinity Catholic's 2022-23 school year was quite memorable. The class of '23 did not disappoint as a fine group of seniors. They had accolades in the classroom, through competition, and through the many ways they served one another as Celtics. The spirit of Trinity was alive and well with this group of graduates.

The 2022-23 year saw many changes at TCHS. Through the efforts of the "TC FFA (Future Farmers of America) Alumni & Supporters", the Immaculata Barn was constructed on our campus to serve our agricultural science program. This group is comprised of parents connected to TCHS through a student who attends, plus other adults who benefited by being a part of FFA during their high school years and want to pass that on to our young people. Immaculata Barn and Outdoor Learning Center creates a place of focus for this program and our Agriscience Pathway curriculum.

In another area of campus, our softball complex received a much-needed facelift. Due to the efforts of many fine supporters, including Mr. Shawn Simms, Mr. Todd Duffy, and Ms. Kathy Dingle, the upgrades to the softball complex are striking. This year's improvements complement the scoreboard installed last school year and include a new backstop, new dugouts, additional storage, new fencing, and field improvements. This makes our facility a shining star in Marion County.

To complement our outstanding track and field, Mrs. Judy Dunlap provided a gift that made possible the addition of a new video scoreboard in our north endzone. This gift enabled us to enhance the game day experience for our fans in every sport that uses Dunlap Track and Field. We are grateful for Mrs. Dunlap's continued, unwavering support.

An additional accomplishment is the completion of our stained glass "project" in the Chapel. At various points throughout this school year, Sister Diane Couture of St. Joseph Ministries' Architectural Stained Glass Studio installed stained glass over each of the three large windows behind the altar. Altogether, the artwork for these windows represents the Trinity: the Father, the Son, and the Holy Spirit. We thank the family of Mr. Richard Pesola for their sponsorship of this last phase of our stained glass endeavor.

Trinity Catholic brought back the Palm for Education Car Raffle, and the good people at Palm Chevrolet once again sponsored this effort which raises revenue for tuition assistance. This fundraiser was so well received that we topped the thirty-thousand-dollar goal set by Mr. Holcomb, our Advancement Director. This event, along with the ever-popular Jeans and Jerseys Tailgate Party, continues to provide funding that helps our school and its students thrive.

I have described just a few of the incredible things we've seen in the last year at Trinity Catholic. Our community has always given generously to this school. There are so many friends of Trinity Catholic who believe in our mission and know how valuable a Catholic education is to the development of future leaders not only in our church but also in our local community, state, and nation. We must continue to push forward the mission of Trinity Catholic as a Christ-centered community that provides our students with the opportunity to deepen their relationship with God and excel academically while committing themselves to a life of service to others.

Live Jesus in our hearts . . . forever!

Tammie Vassou - Principal

Dear Trinity Catholic High School Community,

What an incredible journey of growth we've experienced over the past year! I am bursting with pride as I share the exciting developments within our instructional team. We are not only reaffirming our commitment to the fundamentals but also expanding programs that make Trinity Catholic High School an even more faith-filled and academically rigorous haven for our students.

Amid the challenges of the past year, our dedicated teachers and students have not only weathered the storm but emerged stronger. We've rediscovered and embraced note-taking strategies that may have been sidelined during the pandemic years. Throughout the school day, we're infusing organizational strategies, empowering our students with essential skills in time management, and navigating their educational journey with effectiveness.

But that's not all—brace yourselves for the wave of new initiatives! Our Campus Ministry program has blossomed to now include a dynamic Servant Leadership course. This student-led endeavor empowers our young leaders to craft retreats and faith-based activities for the entire student body. Our partnership with Barry University has expanded, offering Dual Enrollment Religion courses in both 11th and 12th grades. Our STEM program is reaching new heights with the addition of Applied Engineering, which introduces students to practical in-the-workplace applications and possible career paths for budding engineers. Further, our Aerospace Career Academy continues to offer a four-year course of study in collaboration with Embry-Riddle Aeronautical University. In the eight years that TC has partnered with ERAU, over 20 students have already earned their wings, and the number is steadily climbing.

The FFA program, too, has truly come alive on our campus. What started as a spark has grown into a blazing fire, with not one but two teachers now offering classes within this flourishing program. Through all these initiatives, we stay true to our mission. Our instructional endeavors are designed to deepen our students' relationship with God, foster academic excellence, and instill a lifelong commitment to serving others. We are undeniably blessed to form a community where our students can grow in both faith and knowledge. Trinity Catholic High School is not just a school; it's a vibrant tapestry of learning, faith, and service.

With excitement and gratitude,

Tammie Vassou

Staff Spotlight

Trinity Catholic High School faculty, staff and administrators play an important role in the lives of our students. We are excited to honor the following:

Sarah Jenkins - *Guidance Assistant* - If you ever walked through the main office at TC, the smiling face you see in the Guidance office, Mrs. Jenkins. Sarah was hired this past summer to help strengthen our Guidance department. Our students have gravitated to her to get a good pep talk, schedule an appointment with their guidance counselor, or raid her candy bowl! She has been a valuable asset to our staff by helping set up for major events or giving a point of view from a parent's perspective, as her daughter is a student at TC.

Robert Coutu - Rob returned to TC this year after being away for several years. He has engaged our student trainers so that the program at TC shines throughout the athletic calendar. He also held training classes to ensure the school was prepared for any medical emergency at an athletic event on campus. As we all saw this past year with Buffalo Bills player Damar Hamlin, our training staff must always be ready.

Patricia Musco - Mrs. Musco joined the TC family this past November. Our students and parents know Ms. Pat very well regarding their attendance at TC. She is a transplant from Brooklyn, NY. While in New York, she worked on Wall Street, Church at the Rock as the Christian Education Director, and at Joel Braverman High School, where she oversaw attendance and dress code. Her late husband, Christopher, passed away in 2000. Patricia moved to Ocala with her sister in July 2022.

Faculty Achievements

Distinguished Catholic School Educator - At the annual "Kick-off" of the Diocesan school year celebration for the academic year 2022-2023, Mike Young received the Distinguished Catholic School Educator award.

Class of 2023

Congratulations to the exceptional Class of 2023 at Trinity Catholic High School!

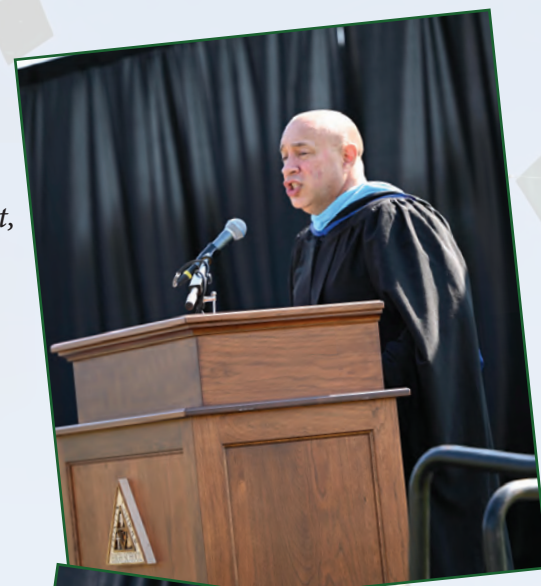

As you embark on the next chapter of your life, take pride in your accomplishments and the growth you've experienced during high school. Your hard work, resilience, and dedication have brought you to this moment, and we celebrate your achievements.

May the knowledge and friendships you've gained at Trinity Catholic High School serve as a solid foundation for the future. Cherish the memories you've created and the lessons you've learned. As you step into the world beyond these halls, remember that your potential is limitless, and the possibilities are vast.

Embrace the challenges ahead with courage and enthusiasm. Continue to pursue your dreams, and may your passions guide you toward success and fulfillment. The Class of 2023 has shown incredible strength and unity, and we do not doubt you will leave a lasting impact on the world.

Wishing you all the best in your future endeavors,

**Congratulations again,
Trinity Catholic High School Class of 2023!**

Alumni Spotlight - Tyler Stentiford, Class of 2012

Every morning at TC, the students recite the TC vision statement. The second line fits Tyler Stentiford, which is: *A Trinity Catholic graduate will actively bring about the kingdom of God and will use his or her unique talents to spread love to others through good citizenship and service.* When news broke that TC was in the planning stages of building a fine arts center, Tyler, a University of South Florida graduate who majored in Architectural and Theatrical Design, and his father, Paul Stentiford, set up a meeting with Lou Pereira about getting involved with the project.

Afterward, he supported TC's Building Committee by helping to determine this building's needs so that it could be a beacon in Marion County. During this time, he put together a small group of alumni and friends of TC to coordinate a fundraiser in support of the capital campaign. Music of the Mouse was born. This past summer, Tyler was named Vice President at Stentiford Construction.

What made Trinity Catholic so special to you?

Trinity was special to me because it was like attending school with a family. Many of us had known each other since we were literally in diapers and had grown up together and that kind of special bond with your classmates and peers is unique.

Were there any special programs or activities that made you choose the major you decided to pursue?

I was very involved in music ministry while at TC. This led to work in theatrical design, which led me to study it in college.

Your faith has been an important part of your life. How did TC nurture your relationship with Christ?

Trinity allowed me to grow in my relationship with Christ through experiences like retreats, where my classmates and I reflected on our faith journey together.

What was one of your favorite moments at TC?

One of my favorite memories while at TC was getting to play piano for Mass. There was something special about our entire school family singing and worshipping together, and being a part of creating the music for each of these moments was very memorable for me.

When it was announced that TC was going to build a new fine arts center, you were one of the first who wanted to get involved. Why did you make that decision?

While I was at TC, I saw a faculty and staff willing to do anything for their students. Because of this attention and dedication to a student's success, I found a passion for piano and theatre that I may not have otherwise known. When I heard that TC was building a fine arts center, I wanted to be a part of that project in any way possible so that I could help give another student the opportunity I received.

You also spearheaded Music of the Mouse, one of the largest alumni functions that gave back to TC. How did that come about?

During some of the meetings for the Colangelo Fine Arts Center, we discussed budget options, fundraising, and ways to make our budget work to get to our goal. I wanted to help contribute to that and show the community what this kind of facility means to students, faculty, and alumni. After reaching out to some performers, we created a ten-piece ensemble with a full choir and vocalists comprised of Trinity Catholic alumni, students, family, and friends who wanted to help contribute to this fantastic cause. We created our musical revue, which would be entertaining for kids and adults, called Music of the Mouse.

Your parents are Founders of TC; they helped lay the foundation for building the school and what it is today. How does it feel sitting next to your dad on the Building Committee, knowing that you are now a part of developing the future of TC?

My parents are an enormous inspiration to me; they taught me that when God blesses you with something, you should always give something back. I always knew that I wanted to do something for the school that gave me so much during my time there, but getting to sit next to my dad on the committee that is helping shape this facility is better than anything I could have imagined. I am so happy that I get to be a part of a lasting change like this on an amazing campus, and I only hope that some other student walks into the Colangelo Fine Arts Center one day and picks up an instrument to discover that they have a God-given talent that they may have never even known about.

What advice would you have for a graduating Senior at TC?

Keep the Faith.

Ministry - Leading to an Encounter with Christ

Our Campus Ministry was very busy this school year as our Campus Minister, Liz Cook, and her peer ministers helped shape the school's Catholic identity with our students and the TC community. TC students recorded over 16,000 service hours over the past school year.

Trinity Catholic is the only high school in the Diocese that holds weekly Mass with all grades. A new class called, "Servant Leadership and Missionary Discipleship" was also formed, which helped our students gain a stronger voice in planning retreats and campus activities. These students also would go around to classes and pray with each class at the beginning of class time.

During Catholic Schools Week, students participated in a, "Together we CAN: ProLife Edition" collection, where students donated over three shopping carts full of supplies to the local Alpha Center For Women. This non-profit organization provides counseling, education, advocacy, and physical support to parents during and after pregnancy.

Trinity Catholic also hosted St. Luke Productions for a live, one-man theatrical presentation of, "Tolton: From Slave to Priest". This program shares the story of Venerable Augustus Tolton, America's first recognized African-American Catholic priest, charismatic preacher, and evangelizer.

Al & Elizabeth Colangelo Fine Arts Center

Colangelo Fine Arts Center Opening Night

On September 12th, TC launched a five-million-dollar capital campaign, the largest campaign since the school's inception, the Reflecting God's Glory Campaign. TC's cafeteria was transformed into something similar to the red carpet of a movie premiere. TC photography students became paparazzi while our Fine Arts program entertained our special guests. President Lou Pereira unveiled the campaign and renderings of the proposed new Colangelo Fine Arts Center.

Colangelo Fine Arts Center

After a fantastic First Night Campaign kickoff, the Fine Arts Committee led by Mr. Pereira and the committee chairs, Robert and Betsy DeClerk, worked tirelessly to talk to potential donors and local committee leaders to get involved with the campaign to build the Colangelo Fine Arts Center. With the help of the Catholic Foundation of Central Florida, a capital campaign was established and implemented throughout the year. The Advancement office traveled across the Northern Deanery to speak to each parish's priests and when given the opportunity, to their parishioners about the fine arts center. The Fine Arts Building Committee helped develop the final plans for the building, a beautiful cornerstone for the TC campus.

Presently this project has been postponed!

Life - Student Achievements

Trinity Catholic FFA - Lexi Westgate (FFA Vice President) and Hunter Temple (FFA President) attended the CPC event (Chapter Leadership Conference) in Kissimmee on September 7-8. The two spent time networking with other chapters and strengthening their leadership skills to help guide our chapter.

Voice of Democracy - The VFW sponsors this patriotic audio essay competition requiring submission of both a written essay and a recorded speech. This year's theme: "Why is the Veteran Important?" These Celtics (Hannah Torres, Harrison Holland, and Anjali Vassou) received their Post-level awards (certificates plus cash and participation prizes) in December at VFW Post 4209. Post-level winners move on to the District level, then on to the State level for judging. Those who "place" at the State level go on to compete at the National level, where the top prize is a \$35K scholarship.

Celtic Preston Wright provides his testimony at the annual FCA Marion County Breakfast.

Tommy Bond - Retirement

After almost two decades, TC's 2nd athletic director is stepping down. TC's Athletics has become one of the top athletic programs in the state under Coach Bond's leadership. Our student-athletes can play on some of the best athletic facilities and for some of the best coaches in north central Florida. The TC community thanks Coach Bond for his tireless efforts in developing a proud tradition at TC. Coach Bond will be staying on as our baseball coach, so he will still be around and will help Mr. Holcomb with parts of graduation.

Thank you, Coach Bond, for everything you have done for TC.

Diane Volko & the Robert Volko SR Inaugural Golf Tournament

In the spring of 2022, Diane Volko, a Blessed Trinity parishioner, approached Lou Pereira with a proposal. She and her family, as a means of memorializing her late husband Robert, wanted to plan and coordinate a golf tournament to raise money for Trinity Catholic's golf program. Fast forward through numerous "hiccups" to November 12th at Ocala Palms Golf & Country Club– Diane and a cadre of family and friends executed a successful tournament within her home community and raised a total of \$7,000 for Trinity Catholic Golf. What a blessing for TC's program!

Events

Jeans and Jerseys

The 3rd annual Jeans and Jerseys was held at the World Equestrian Center in October. Over 200 people showed up to Expo 1 to attend the event. This year, TC raised over \$89,000, which will go directly to helping the school continue to give our students a quality Catholic education. Some of the big auction items included a fishing trip to Costa Rica, a seven-night stay at a beach house in Amelia Island, Florida vs Florida State football tickets in the Champions Club, USC vs. Notre Dame in South Bend, and for the first time, TC customized cornhole boards! A special thank you to this year's chair, Mrs. Jessica Young, who worked tirelessly on one foot! Thank you to our **committee members**: Jessica Young, Trisha Perkins, Savannah Garrett, Jennifer Franco, DeAnna Hartley, Linda Steer, Bill Catsulis (auctioneer), Heather Holcomb, Brooke Watridge, Angela Temple and Dawn Fernandez.

Palm For Education - This year we brought back TC's car raffle with Palm Chevrolet; the last one happened in 2019. This year we raffled a 3-year 2023 Chevy Equinox LS or \$15,000 lease. Palm Chevy donated the lease or the value of the car lease. TC raised over \$48,000! Roddy Michelle is our 2023 car raffle winner! Thank you to JVC Broadcasting for donating radio announcements to support the raffle. Thank you to Blessed Trinity, St. Marks, and Queen of Peace for allowing our parents to come down to sell raffle tickets. Thank you to Palm Chevrolet owner Craig Bachrodt and General Manager Brandon Maynard for supporting TC. Our students also got involved by selling raffle tickets. For every three tickets sold, students had their names put in the raffle to win a brand-new PlayStation 5. Junior Seve Fernandez was the lucky winner!

Founders Dinner - The TC Founders gathered in September 2022 for their annual dinner. Bishop Noonan celebrated Mass. Founders attended the dinner in the TC cafe and were entertained by students from our Fine Arts Department. Our Founders conversed over dinner with our Student Ambassadors and members of our administration. Mr. Pereira and Mrs. Vassou updated our Founders on the happenings at TC.

Remembering Founders- Please pray for the repose of the souls of those who passed on since last year's Founders Dinner.

Grandparents Day

Our Grandparents were invited back on campus this past November to spend time with their grandchildren at Mass and breakfast. The Marino Gymnasium was at capacity, with over 400 people at breakfast. Grandparents Day for the 2023-24 has been moved to the Spring on Wednesday, April 3, 2024. Information will be sent out before the event.

Chris Uhle Memorial Basketball Game

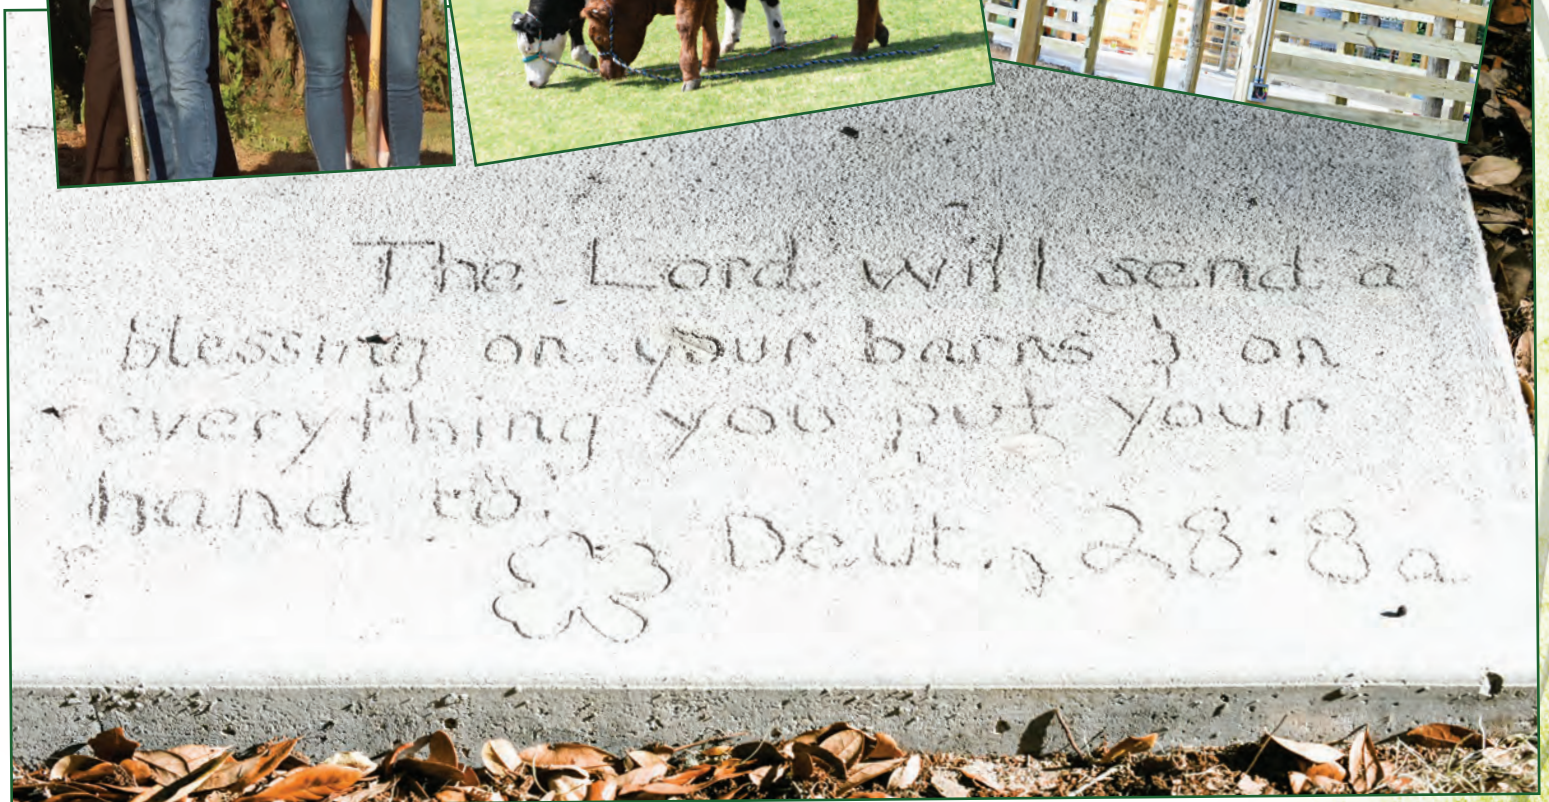

Each year, our alumni come together on Thanksgiving Eve to celebrate the life of Trinity Catholic High School 2011 Graduate Chris Uhle. In the summer of 2015, Chris was getting ready to head overseas to play professional basketball when he became ill and passed away due to an apparent heart attack. His family started a college scholarship in his name at TC for graduating seniors. Proceeds from this memorial basketball game go directly to this scholarship fund. To donate, you can go online to <https://www.trinitycatholichs.org/chrisuhle/>

Barn

This year, our FFA Alumni and Supporters raised money to construct a new pole barn for our FFA and agricultural program. TC is the only high school in the Diocese of Orlando to have a barn built on its campus. The Immaculata Barn is a learning laboratory for our students to engage in raising livestock. The barn is located on the Northeast side of campus behind the visitor bleachers of Dunlap Track and Field. Thank you to Mrs. Sara LeFils and the committee for making this a reality.
